I have a conf line we can use if we decide to stick with "a".
Otherwise, I am available for "b", but not for "c".
I added Stephanie and Alice to this so they can weigh in on the agendas.

...and I just lost the conference call line....our reservations database is sick and a previously-scheduled conference call bumped me.....no phone, no New Jersey Carol.....

- a) proceed on without Carol and do a daisy chain connection with phone
- b) re-schedule for the afternoon at 3:00....or 2:00?
- c) reschedule for Thursday, any time

I was away last week and I guess I missed the email on this call. I have a meeting outside the office in the AM. If it snows, I'll be in the office. If not, go ahead without me since I can't change this other date.
